

Internet SMS Single SMS Send Instructions

Before you get started...

- Ensure that you have sufficient credits in your SMS account

1. Login to your account

Go to www.internetsms.com.au, select '**Login**' from the top menu and enter your username and password

2. Select 'Single Message Send' from the left hand menu

SINGLE MESSAGE SEND

Message charset:

Message:

No. of characters (messages): 0 (0)

Sender:

Recipient:

Data Coding

Text
 Binary
 Unicode

SMS type:

Normal
 Flash

Enter your message (max. of 160 characters including spacing per message/credit; if your message is longer than 160 characters you will be charged accordingly; 2msg = 2 credits, 3msg = 3 credits)

The default **SMS type** is '**Normal**'; to send a Flash SMS (instant message display – see website for more information) select '**Flash**'

Enter your number or your name into '**Sender:**' (max. 11 characters)

Enter the recipient's mobile number into 'Recipient:'

! The number must be in international format; e.g. 61409999999 and must not contain any spaces or punctuation

Click on '**SEND**'
